The 1977 Markings
Saint Agnes Academy
Memphis, Tennessee
Volume LIV

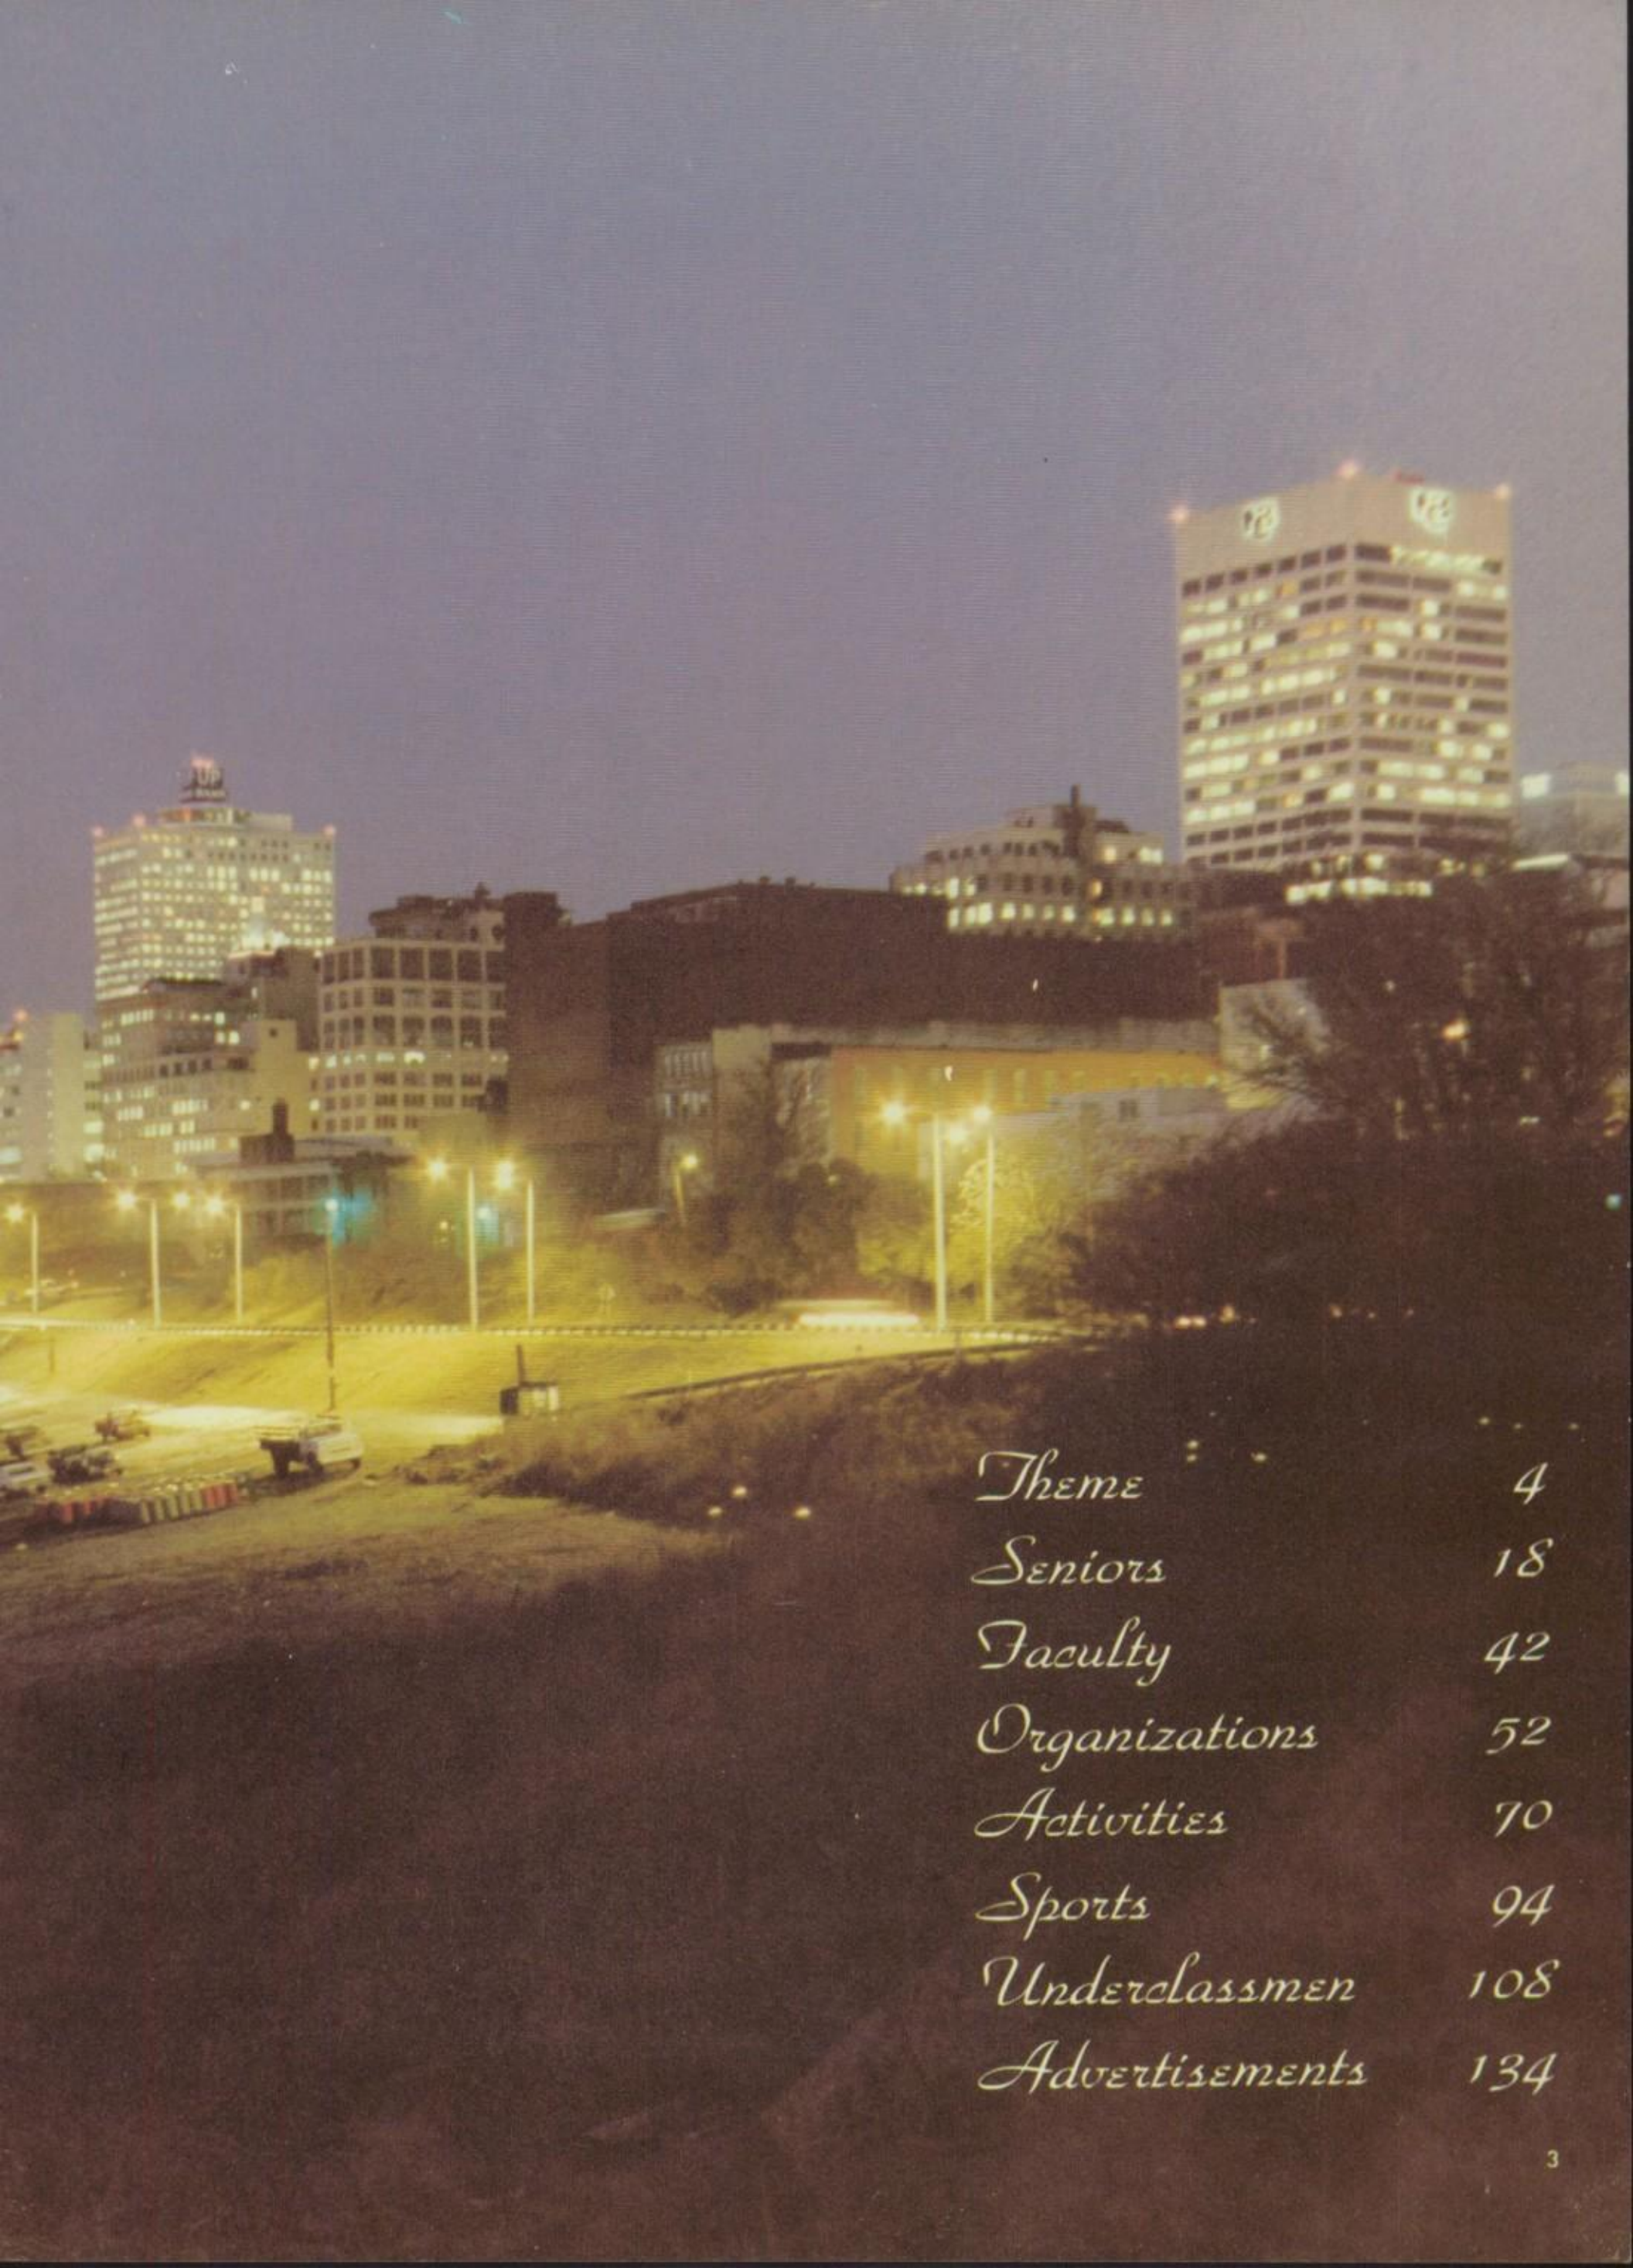

Dedication

We, the Senior Class of 1977, dedicate this annual to you, Mrs. Swicker, in appreciation for all you have done for us.

Your dry wit and fluent vocabulary highlighted our study of the rise and fall of the Babylonians in Religion II, while your tremendous patience and total objectivity comforted us as we wrestled with the hows and whys of love and marriage. As Student Government moderator you have helped us build a strong and active organization, and as academic dean you have kept us all aware of our duties as diligent students now and professionals in the future.

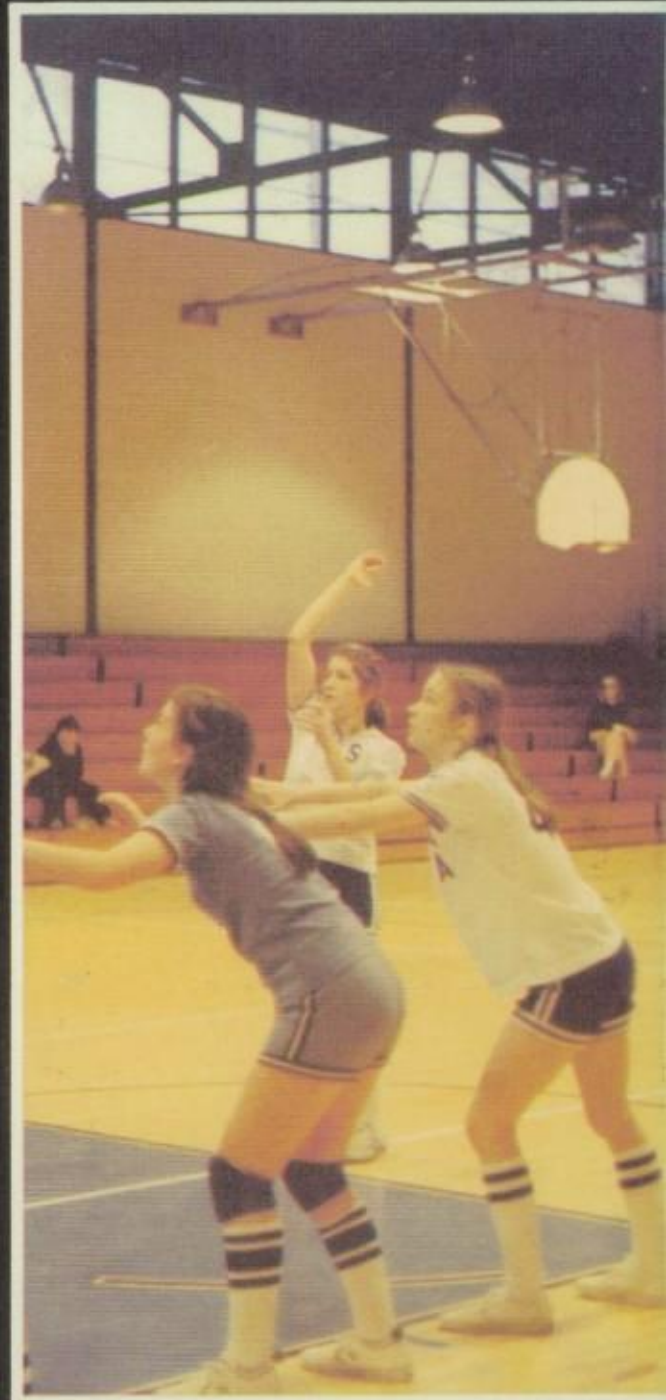

Though we may never again be enrolled in classes at 4830 Walnut Grove Road, we will never forget all those whom we have known and loved at St. Agnes. Mrs. Swicker, you are at the top of our list and we sincerely thank you.

The Hands of Time

If the hands of Time were hands that we could hold,
We'd keep them warm and in our hearts, they'd not
turn cold.

Hand in hand we'd choose the moments that would last,
The lovely moments that should have no future and no past.

Our four years in high school together,
These happy times we won't ever forget,
But this is the time when we must part,
Living our own lives, keeping those times in our hearts.

All the happy days will never learn to fly
Until the hands of Time should choose to wave good-by.

We made it! We graduated and finished the 1977 MARKINGS. The annual is a scattering of memories of days swiftly passing. We hope this annual helps you recall the fun days at St. Agnes. As the editors we would like to thank the entire staff, especially Sherry Tedder and Ellen Parry for their excellent handling of the business affairs and Evelyn Lara for her work in photography. Special thanks go to Mrs. Tiffany who stuck it through with us. Her patience and understanding guided us through tough times. Thanks to all and good luck next year.

With love,
Kathy Hudson
